NATIONAL WILDERNESS PRESERVATION SYSTEM

Chumash Wilderness

Designated, June 19, 1992

Los Padres Condor Range and River Protection Act,
Public Law 102-301

This description and the accompanying final map are based on the Congressionally approved "Map of Record" dated September 1991 for the creation of the Chumash Wilderness contained within the Los Padres Condor Range and River Protection Act (Public Law 102-301). This description and the accompanying final map shall govern all boundaries of the wilderness. In the case of any conflicts found between the final map and this description, the Map of Record contained in the original legislation shall govern the resolution thereto.

All bearings recited in this description are true bearings and all distances are at ground elevation. Geographic coordinates are referenced to the North American Datum of 1983: NAD83 (2011). Elevations are mean sea level referenced to the North American Vertical Datum of 1988: NAVD88. Where Public Land Survey System boundaries are referenced, Bureau of Land Management, Manual of Survey Instructions, standard procedures will be used to define the legal section lines and corners. Unless otherwise specified, calls to watercourses shall be to the thread of the stream or river. Where offset calls from certain features are used to define a line, the offset line shall be determined from the centerline, base or top of the existing feature.

This is the final perimeter boundary description of the area designated in Section 2(5) of the above mentioned Act. It describes the boundary for the Chumash Wilderness, located in Township 8 North, Ranges 21, 22 and 23 West and Township 9 North, Ranges 21, 22 and 23 West, San Bernardino Meridian (S.B.M.), Ventura County and Kern County, California, and managed by the Los Padres National Forest.
