

LEGAL DESCRIPTION  
HUNTER-FRYINGPAN WILDERNESS ADDITION (1993)  
WHITE RIVER NATIONAL FOREST

Beginning at the summit of Bald Knob, with a shown elevation of 11,092 feet, being also a point on the existing Hunter-Fryingpan Wilderness boundary;

thence northerly 0.7 mile along the hydrographic divide to a point at the 10,200 feet contour elevation;

thence northerly 0.2 mile along the 10,200 feet contour to a point forming the top of a hydrographic divide;

thence northerly 0.6 mile along said hydrographic divide, to an aluminum cap on 1 inch diameter rod marked HFW 1, being 10 feet north of the Woody Creek trail and 50 feet north of Woody Creek;

thence N 12o E 0.4 mile to an un-named summit with a shown of elevation of 10,130 feet;

thence N 80oE 0.3 mile to a point on a ridge;

thence northerly 0.4 mile along said ridge to an un-named summit, with a shown elevation of 10,571 feet;

thence northeasterly 0.4 mile in a straight line to an aluminum cap on 1 inch diameter rod, marked HFW 2, being 100 feet east of the center of Forest Road Number 118;

thence northeasterly 100 feet east of and parallel with said road centerline, 1.0 mile to the point of intersection with an old abandoned road which turns further northeasterly;

thence northeasterly 100 feet east of and parallel with said abandoned road 0.2 miles to an aluminum cap on 1 inch diameter rod, marked HFW 3;

thence southeast 0.2 mile in a straight line to an aluminum cap on 1 inch diameter rod, marked HFW 4;

thence northeast 0.2 mile in a straight line to an aluminum cap on 1 inch diameter rod, marked HFW 5;

thence N 22o E 0.5 mile to an un-named summit with a shown elevation of 11,648 feet;

thence easterly 0.7 mile in a straight line to an aluminum cap on 1 inch diameter rod, marked HFW 6, this point being on the existing Hunter-Fryingpan Wilderness boundary, more specifically described as on the hydrographic divide between Hunter Creek and Woody Creek, being the point of termination.

The elevations referred to in this description are based on USGS quadrangle maps:

Meredith

1987

The monuments referred to in this description are fully described with accessories in Corner Book 1, a part of the permanent record of the White River National Forest Boundary Management Unit. These quadrangle maps and Corner Books are hereby made an integral part of this description.

This description was prepared by Dennis J. Mouland, Colorado PLS No. 29046, White River National Forest.

NATIONAL WILDERNESS PRESERVATION SYSTEM

HUNTER-FRYINGPAN WILDERNESS ADDITION (1993)

White River National Forest

I hereby certify that the description and map herewith represent the location of the boundary of the Hunter-Fryingpan Wilderness Addition of 1993 on the White River National Forest as it existed as of the date of enactment of Public Law 103-77.
