

NATIONAL WILDERNESS PRESERVATION SYSTEM

**Rainbow Mountain Wilderness**

Toiyabe National Forest, Intermountain Region

I hereby certify that the boundary description and map made a part of this description herewith represents the location of the boundary for the Rainbow Mountain Wilderness within the Toiyabe National Forest.

Signed: Belle A. Craig Date: 11/1/11  
Belle A. Craig  
Regional Land Surveyor

I hereby certify and accept the boundary description and map of the Rainbow Mountain Wilderness on the Toiyabe National Forest as entered into the National Wilderness Preservation System under the Clark County Conservation of Public land and Natural Resources Act of 2002, Public Law 107-282.

Signed: Harv Forsgren Date: 11/1/11  
Harv Forsgren  
Regional Forester

**RAINBOW MOUNTAIN WILDERNESS  
LEGAL DESCRIPTION**

The area included herein for the Rainbow Mountain Wilderness is located within the Toiyabe National Forest, Intermountain Region and Clark County, Nevada in accordance with the Clark County Conservation of Public Land and Natural Resources Act of 2002, Public Law 107-282. The official boundary description and final map are on file and available in the offices of the Forest Supervisor, Humboldt-Toiyabe National Forest, Sparks, Nevada and the Regional Forester, Intermountain Region, Ogden, Utah. The portion of the Rainbow Mountain Wilderness within National Forest System Land as described here consists of a ground area of 4,592 acres, more or less, which was computed from Land Survey measurements, Geographic Coordinate Data Base (GCDB) information and 1:24,000 scale, 7½ minute quadrangle maps. A detailed description of the boundary follows:

**PARCEL 1**

Commencing at a point on the common line between Sections 28 and 29, Township 22 South, Range 58 East, Mount Diablo Meridian, said point being Angle Point 1, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 1 2004", affixed to a 3/4 inch aluminum rod, extending 0.2 feet above the natural surface in a rock mound, located at 26,705,547.12 feet north by 683,565.34 feet east, Nevada State Plane, East Zone, North American Datum of 1983, U.S. Survey Feet, as derived from the Clark County Surveyor's control network, as it existed in July, 2004, and being also N02°40'30"W, 191.27 feet from the N 1/16 corner common to Sections 28 and 29;

Thence N02°40'30"W, along the common line between Sections 28 and 29, 1172.82 feet to the southeast corner of Section 20, THE POINT OF BEGINNING, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped "T22S R58E S20|S21 S29|S28 1956", affixed to a 2 1/2 inch iron pipe, extending 1.2 feet above the natural surface in a rock mound, located at 26,706,718.25 feet north by 683,510.78 feet east, Nevada State Plane, East Zone as described above ;

Thence N87°44'51"W along the south line of said Section 20, 1331.33 feet to the E 1/16 corner common to Sections 20 and 29 of said Township and Range, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped "T22S R58E E1/16 S20--S29 1957", affixed to a 2 1/2 inch iron pipe, extending 1.5 feet above the natural surface in a rock mound, located at 26,706,770.56 feet north by 682,180.96 feet east, Nevada State Plane, East Zone as described above;

Thence N10°47'26"E, 1,489.10 feet to Angle Point 2, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 2", affixed to a 3/4 inch aluminum rod, extending 0.5 feet above the natural surface in a rock mound, located at 26,708,232.80 feet north by 682,459.65 feet east, Nevada State Plane, East Zone, as described above;

Thence S85°02'22"W, 917.08 feet to the C-W-SE 1/64 corner of said Section 20, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "S20 C-W-SE 1/64 1993", affixed to a 1 inch aluminum rod, extending 0.4 feet above the natural surface in a rock mound, located at 26,708,153.53 feet north by 681,546.34 feet east, Nevada State Plane, East Zone as described above;

Thence N87°52'08"W, along the E-W center line of the southeast quarter of said Section 20, 664.21 feet to the C-S 1/16 corner of Section 20, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped "T22S R58E S1/16 C|C S20 1957", affixed to a 2 1/2 inch iron pipe, extending 1.1 feet above the natural surface in a rock mound, located at 26,708,178.22 feet north by 680,882.83 feet east, Nevada State Plane, East Zone as described above;

Thence N01°16'17"E, along the N-S center line of said Section 20, 678.56 feet to the C-N-S 1/64 corner of Section 20, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "S20 C-N-S 1/64 1993", affixed to a 1 inch aluminum rod, extending 0.1 feet above the natural surface in a rock mound, located at 26,708,856.37 feet north by 680,897.88 feet east, Nevada State Plane, East Zone as described above;

Thence N01°16'36"E, continuing along the N-S center line of said Section 20, 678.81 feet to the Center 1/4 corner of Section 20, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped "T22S R58E C 1/4 S20 1957", affixed to a 2 1/2 inch iron pipe, extending 0.8 feet above the natural surface in a rock mound, located at 26,709,534.76 feet north by 680,913.00 feet east, Nevada State Plane, East Zone as described above;

Thence N87°54'26"W, along the E-W center line of said Section 20, 1323.17 feet to the C-W 1/16 corner of said Section 20, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped "T22S R58E W1/16 C--C S20 1957", affixed to a 2 1/2 inch iron pipe, extending 1.2 feet above the natural surface in a rock mound, located at 26,709,583.06 feet north by 679,591.19 feet east, Nevada State Plane, East Zone as described above;

Thence N01°28'12"E, along the west line of the east half of the northwest quarter of said Section 20, 614.60 feet to Angle Point 5, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 5 2004", affixed to a 3/4 inch aluminum rod, extending 0.5 feet above the natural surface in a rock mound, located at 26,710,197.24 feet north by 679,606.83 feet east, Nevada State Plane, East Zone as described above, said angle point being 100 feet south of the field located center of a two track dirt road;

Thence northeasterly, northerly, and northwesterly along a line that is parallel with and 100 feet southeasterly, easterly, and northeasterly of the field located center of said two track dirt road for 0.70 miles to Angle Point 10 on the north line of Section 19 of said Township and Range, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 10 2004", affixed to a 3/4 inch aluminum rod, extending 0.5 feet above the natural surface in a rock mound, located at 26,712,326.69 feet north by 678,089.50 feet east, Nevada State Plane, East Zone as described above;

Thence S89°51'02"E along the north line of said Section 19, 255.89 feet to the northwest corner of the aforesaid Section 20, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped " T22S R58E S18[S17 S19]S20 1957", affixed to a 2 1/2 inch iron pipe, extending 0.7 feet above the natural surface in a rock mound, located at 26,712,326.02 feet north by 678,345.30 feet east, Nevada State Plane, East Zone as described above;

Thence S88°12'49"E along the north line of said Section 20, 2632.68 feet to the north 1/4 corner of said Section 20, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped " T22S R58E 1/4 S17--S20 1957", affixed to a 2 1/2 inch iron pipe, extending 1.0 feet above the natural surface in a rock mound, located at 26,712,243.98 feet north by 680,975.75 feet east, Nevada State Plane, East Zone as described above;

Thence S01°19'37"W, along the N-S center line of said Section 20, 2710.93 feet to the said Center 1/4 corner of Section 20;

Thence easterly along the north line of the southeast one quarter of said Section 20, approximately 2640 feet to the east 1/4 corner of Section 20;

Thence southerly, along the east line of said Section 20 approximately 2640 feet to the southeast corner of Section 20, and the point of beginning.

Containing approximately 237 acres.

## **PARCEL 2**

Beginning at a point on the common line between Section 18, Township 22 South, Range 58 East, Mount Diablo Meridian, and Section 13, Township 22 South, Range 57 East, Mount Diablo Meridian, which is approximately 100 feet north of the field located center of Forest Road #541, said point being Angle Point 15, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 15 2004", affixed to a 3/4 inch aluminum rod, extending 0.5 feet above the natural surface in a rock mound, located at 26,716,783.02 feet north by 673,037.06 feet east, Nevada State Plane, East Zone, North American Datum of 1983, U.S. Survey Feet, as derived from the Clark County Surveyor's control network, as it existed in July, 2004, and being also S0°41'13"E, 956.63 feet from the northeast corner of said Section 13 and N0°41'13"W, 1745.61 feet from the east 1/4 corner of said Section 13;

Thence southwesterly approximately 1.44 miles along a line 100 feet northwesterly of and parallel with the field located center of said Forest Road #541 to Angle Point 20, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 20 2004", affixed to a 3/4 inch aluminum rod, extending 1.0 feet above the natural surface in a rock mound, located at 26,713,686.21 feet north by 666,472.50 feet east, Nevada State Plane, East Zone, as described above, said angle point being 100 feet easterly of the field located center of an overhead power line;

Thence northwesterly approximately 2.18 miles along a line 100 feet easterly of and parallel with the field located center of said overhead power line to Angle Point 25, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 25 2004",

affixed to a 3/4 inch aluminum rod, extending 1.0 feet above the natural surface in a rock mound, located at 26,725,061.99 feet north by 664,576.76 feet east, Nevada State Plane, East Zone, as described above, said angle point being 150 feet southeasterly of the field located center of Forest Road #540;

Thence northeasterly approximately 1.69 miles along a line 150 feet southeasterly of and parallel with the field located center of said Forest Road #540 to the east line of Section 1, Township 22 South, Range 57 East, Mount Diablo Meridian;

Thence southerly approximately 4,240 feet, along the east line of said Section 1 to the southeast corner of said Section 1;

Thence southerly approximately 1 mile along the east line of Section 12, Township 22 South, Range 57 East, Mount Diablo Meridian to the southeast corner of said Section 12, marked by a standard U.S. Bureau of Land Management 3 1/4 inch brass cap stamped "T22S R57E | R58E S12 | S7 S13 | S18 1956", affixed to a 2 1/2 inch iron pipe, extending 1.0 feet above the natural surface in a rock mound, located at 26,717,739.24 feet north by 673,025.64 feet east, Nevada State Plane, East Zone, as described above;

Thence S0°41'13"E, 956.63 feet, along the east line of Section 13, Township 22 South, Range 57 East, Mount Diablo Meridian, to the afore described Angle Point 15, and the point of beginning.

Containing approximately 1,958 Acres.

### **PARCEL 3**

Beginning at a point on the common line between Section 1, Township 22 South, Range 57 East, Mount Diablo Meridian, and Section 6, Township 22 South, Range 58 East, Mount Diablo Meridian, said point being 150 feet northwesterly of and parallel with the field located center of Forest Road #540;

Thence southwesterly approximately 1.70 miles along a line 150 feet northwesterly of and parallel with the field located center of said Forest Road #540 to Angle Point 30, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 30 2004", affixed to a 3/4 inch aluminum rod, extending 1.1 feet above the natural surface in a rock mound, located at 26,725,387.94 feet north by 664,522.47 feet east, Nevada State Plane, East Zone, North American Datum of 1983, U.S. Survey Feet, as derived from the Clark County Surveyor's control network, as it existed in July, 2004, said angle point being 100 feet easterly of the field located center of an overhead power line;

Thence northwesterly approximately 1.14 miles along a line 100 feet easterly of and parallel with the field located center of said overhead power line to Angle Point 35, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 35 2004", affixed to a 3/4 inch aluminum rod, extending 1.0 feet above the natural surface in a rock mound, located at 26,731,318.58 feet north by 663,534.20 feet east, Nevada State Plane, East Zone, as described above, said angle point being 300 feet easterly of the field located center of Forest

Road #537, also known as Lovell Canyon Road;

Thence northwesterly approximately 0.89 miles along a line 300 feet easterly of and parallel with the field located center of said Forest Road #537 to Angle Point 40, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 40 2004", affixed to a 3/4 inch aluminum rod, extending 0.3 feet above the natural surface in a rock mound, located at 26,735,483.56 feet north by 662,260.58 feet east, Nevada State Plane, East Zone, as described above, said angle point being 100 feet easterly of the field located center of an overhead power line;

Thence northwesterly approximately 1.42 miles along a line 100 feet easterly of and parallel with the field located center of said overhead power line to Angle Point 45, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 45 2004", affixed to a 3/4 inch aluminum rod, extending 0.2 feet above the natural surface in a rock mound, located at 26,742,713.53 feet north by 660,198.78 feet east, Nevada State Plane, East Zone, as described above, said angle point being 100 feet easterly of the field located center of a minor two-track road;

Thence northerly approximately 0.27 miles along a line 100 feet easterly of and parallel with the field located center of said minor two-track road to Angle Point 50, marked by a standard U.S. Forest Service 3 1/4 inch aluminum cap stamped "RAIN MT. WILD RLS 5456 AP 50 2004", affixed to a 3/4 inch aluminum rod, extending 0.8 feet above the natural surface in a rock mound, located at 26,744,115.92 feet north by 660,200.27 feet east, Nevada State Plane, East Zone, as described above, said angle point being 100 feet southerly of the field located center of Forest Road #549, also known as Red Rock Canyon Road;

Thence northeasterly approximately 1.53 miles along a line 100 feet southeasterly of and parallel with the field located center of said Forest Road #549 to a point on the section line common to sections 13 and 14 of Township 21 South, Range 57 East, Mount Diablo Meridian, said point being northerly approximately 0.22 miles along said section line from the 1/4 corner common to said sections 13 and 14;

Thence southerly approximately 3.72 miles along the section lines between sections 13 and 14, 23 and 24, 25 and 26, and 35 and 36 of said Township and Range, to the southwest corner of said Section 36;

Thence easterly approximately 1 mile along the south line of said Section 36 to the southeast corner of said Section 36;

Thence southerly approximately 710 feet along the common line between Section 1, Township 22 South, Range 57 East, Mount Diablo Meridian, and Section 6, Township 22 South, Range 58 East, Mount Diablo Meridian to the point of beginning, said point being 150 feet northwesterly of and parallel with the field located center of Forest Road #540;

Containing approximately 2,397 acres.

***Qualifications:***

This boundary narrative is based in part on the U.S. Geological Survey 7½ minute Quadrangle maps listed below.

Blue Diamond, Nevada.  
Mountain Springs, Nevada.  
La Madre Springs, Nevada.

This legal description has been plotted on the USDA Forest Service Primary Base Series Maps which are reduced to 1:75000 scale. This Map of Record is attached and made part of the description.

All bearings are State Plane grid bearings, Nevada State Plane, East Zone, North American Datum of 1983. All distances herein are ground distances--multiply by 0.999638 to obtain the said State Plane grid distances.

The coordinates for certain corner positions and cadastral project control were determined by survey quality Global Positioning System (GPS) observations made from the Clark County Geodetic Control Network, derived from ties to the National Spatial Reference System. Where wilderness boundary is monumented, the location of the survey monument is the true location of the wilderness boundary. The monument coordinate data are provided as an aid to locate monuments in the field.

Angle Point monuments referenced in this description of the Rainbow Mountain Wilderness were established under Forest Service Contract No. 53-9360-3-07 by Johnson-Frank Associates, Inc. and represented on two Record of Surveys filed with the Official Records of Clark County Nevada Records office; Document No. 20041105-0001926, Survey File 142, Page 0026; and Document No. 20060410-0000253, Survey File 155, Page 0073.
