

NATIONAL WILDERNESS PRESERVATION SYSTEM

Warren Island Wilderness

Tongass National Forest

I hereby certify that the legal description and map herewith represent the location of the boundary of the Warren Island Wilderness on the Tongass National Forest as covered into the National Wilderness Preservation System by the Act of December 2, 1980 (P.L. 96-487).

Signed October 23, 1981

Regional Forester

WARREN ISLAND WILDERNESS

The exterior boundary of the Warren Island Wilderness, Tongass National Forest, Alaska Region, June 1, 1981, as covered into the National Wilderness Preservation System by the Act of December 2, 1980 (P.L. 96-487), in the State of Alaska:

Beginning on the northern side of Warren Island, at U.S. Geological Survey (USGS) station "Warren 2", the exterior boundary is offshore of the Warren Island coastline and of variable distance from said coastline to include all federally-owned rocks, pinnacles, islets, and islands above mean high tide immediately offshore or specifically named as follows: from offshore and north of USGS station "Warren 2" on the north side of Warren Island proceeding northeasterly and southeasterly passing north of the northernmost tip of Warren Island to a point offshore and east of USGS station "Guano"; thence, southerly offshore of the east coast of Warren Island to a point offshore and east of USGS station "Lichen"; thence, southerly, encompassing False Cove and Warren Cove, to a point offshore and east of USGS station "Cove"; thence, southwesterly to a point offshore and south of USGS station "King" on the south side of Warren Island; thence, westerly and northwesterly to a point offshore and west of Boot Point; thence, northwesterly to a point offshore and west of USGS station "West" on the west side of Warren Island; thence, northerly to a point offshore and west of Point Borlase on the northwest side of Warren Island; thence, northeasterly to a point offshore and north of USGS station "Warren 2," the point of beginning.

The Warren Island Wilderness contains 11,181 acres of National Forest land and 0 acres of alienated lands.

The above described area has been plotted and elevations obtained from the following U.S. Geological Survey map, a copy of which is enclosed hereto and made a part hereof:

Craig (D-6), Alaska, 15'
