Lands herein described and topographic features referred to are depicted on 7 1/2 minute United States Geological Survey Quadrangle Sheets Kendrick and Moritz Ridge dated 1966.

Forest road numbers sited here in are depicted on Kaibab National Forest recreation map as revised in 1982.

Monuments referred to in the body of this description were set in the summer of 1985. They were identified on aerial photographs and individually recorded in the accompanying field book (85-2). All monuments are 3 1/4 inch diameter aluminum caps marked "USDA Wilderness Boundary Marker, Kendrick Mt." with the corresponding point number noted thereon; driven on top of a 1/2 inch diameter by 30 inch long iron rebar, set 24 inches in the ground.

This boundary description has been plotted on a 1-inch-equals-1-mile map titled Kendrick Wilderness boundary map, dated October 15, 1986, which is attached and made a part of this description.

The aerial photos, quadrangle sheets and field book are intended to be an integral part of the legal description. The total area of the Kendrick Mountain Wilderness is 6,651 acres, more or less.
