Projection and 1,000-meter tics: Universal Transverse Mercator, zone 11.

Full Revision of Forest Service lands 2001
Updates to Transportation 2001
Updates to Boundaries 2001

Non-National Forest System lands within the National Forest as of 2001. Inholdings may exist in other National or State reservations.

This is not a legal document. Public lands are subject to change and leasing, and may have access restrictions. Not all roads and trails on this map are open to motor vehicle use. Check with appropriate officials and obtain appropriate regulatory maps and information. Obtain permission before entering private lands.

This map product uses the most current data available in the USDA Forest Service cartographic database. Modifications, updates, and corrections may be made at any time. Print quality is determined by the output device used when producing a hardcopy product.
