

Notices

Federal Register

Vol. 46, No. 89

Friday, May 8, 1981

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Forest Service

St. Joe Wild and Scenic River; Classification, Development Plan, and Boundaries; Correction

This document corrects a notice on the St. Joe Wild and Scenic River classification, development plan, and boundaries that appeared at page 21796 in the Federal Register of Tuesday, April 14, 1981 (46 FR 21796). This action is necessary to include the development plan summary, legal description, and maps which were omitted from the notice and are required by the Wild and Scenic Rivers Act (82 Stat. 908).

Background—partial retention	Background—partial retention.
Recreation Development	
Developed facilities for site protection and user comfort	Some developed facilities.
Day use facilities	Dispersed overnight camping with Trailhead facilities.
Overnight campgrounds	
Transportation Network	
Two-lane paved road	One-lane improved surface road with turnouts.
Wildlife	
Vegetative manipulation to enhance wildlife values	Vegetative manipulation to enhance wildlife values.

Development Summary Sheet

Wild River Corridor

Spruce Tree Campground to St. Joe Lake

Primary Values:

Fisheries recreation:

Primitive Access

Overnight use

Visual quality

Water quality

Management Direction

Forest Cover:

No commercial timber harvest within corridor

Visual Quality Objectives:

Classified river corridor—preservation

Outside corridor—retention of visual quality

Recreation Development Level:

Minimum of developed facilities

Overnight trail use

Transportation Network:

Trail Access

Existing one-lane dirt road

Wildlife:

Natural plant succession

Boundary Description

From Pub. L. 95-625—November 10, 1976.

"The segment above the confluence of the North Fork of the St. Joe River to Spruce Tree Campground, as a recreational river; the segment above Spruce Tree Campground to St. Joe Lake, as a wild river. . . ."

Segment No. 1—Recreational River Classification includes portions of the land lying on each side of the St. Joe River and is that exterior line which encompasses the following described areas:

Idaho

Boise Meridian
