

Series compilation by Fairchild Aerial Surveys, Inc. for the Bureau of Reclamation. Field examination and publication by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by LINTAS and LINTAS-68. Topography from aerial photographs by stereocompensation methods. Aerial photographs taken 1947. Photo ground 1948. Photogrammetric 1952. Name abbreviations 1953. Data and based on National Geographic System, 1953. 1950-meter Universal Transverse Mercator grid 1948, Zone 12. INTERMEDIATE EDITION. Modification to USGS base map by the Geographic Names Center, 1972. Collection dates surveyed by the Bureau Region. Photo mosaic compiled by the Regional Office, Missoula, Montana, from aerial photographs taken 1972 and 1973.
