The Chattahoochee National Forest "East" and "West Portions"

The Boundary is delineated on a map scale of (2) inches = 1 Mile or 1:31,680 reduced from Georgia-North Carolina U.S.G.S. 1:24,000 scale 7 1/2 minute topographic quadrangles Dillard, Ga-NC, Hightower Bald, Ga-NC, and Macedonia, Ga-NC, (modified for USDA Forest Service use).

Where actual field survey bearings and distances were not available, courses were digitized from the Georgia State Plane Coordinate System, West Zone from the above named quads and therefore should be considered approximate. Survey bearings are based on True North and digitized bearings are based on Grid North.
