NATIONAL WILD AND SCENIC RIVER

Fish Creek

Designated March 30, 2009

by the

Omnibus Public Land Management Act of 2009

Public Law 111-11

This description and the accompanying final map are based on the Congressionally approved 13.5-mile segment of "Fish Creek" for the creation of the Fish Creek Wild and Scenic River contained within the Omnibus Public Land Management Act of 2009 (Public Law 111-11) dated March 30, 2009. This description and the accompanying final map shall govern all boundaries of the Wild and Scenic River and shall be considered as if contained in the original legislation, P.L. 111-11. In the case of any conflicts found between the final map and this description, the final map shall govern the resolution thereto.

Recreational Segment: "The 13.5-mile segment of Fish Creek from its headwaters to the confluence with the Clackamas River, to be administered by the Secretary of Agriculture as a recreational river." (Public Law 111-11)

A strip of land lying 1320 feet each side of the ordinary high water lines of Fish Creek, situated in the state of Oregon, County of Clackamas, and being a portion of the lands more particularly described as follows:

Willamette Meridian, Oregon

T. 5 S., R. 5 E.,
secs. 11, 12, 13, 14, 23, 26, 27, 34, and 35.

T. 6 S., R. 5 E.,
secs. 2, 3, 10, 11, 12, 13, 14, 23, 24, 26, 27, 33, 24, and 35.

The sidelines of said strip of land shall be lengthened or shortened, as necessary, so as to begin at its intersections with the lines bearing South 38° 18' East and North 38° 18' West from the southwesterly most point of the headwaters of Fish Creek and to end at its intersections with the lines bearing East and West from the intersection of the southerly ordinary high water line of the Clackamas River and the thread of Fish Creek, said end lines shall be bounded by the same, as designated under Public Law 111-11.

ALSO, adding to said strip, two parcels of land situated in the section 33, T. 6 S., R. 5 E., W.M., more particularly described as follows:

- 1) A parcel of land bounded by the hereinbefore described strip of land and by the following described line:

COMMENCING at the southwesterly most point of the headwaters of Fish Creek.
Thence North 38° 18' West, 1320 feet, to the line 1320 northwesterly of the

northwesterly ordinary high water line of Fish Creek and the POINT OF BEGINNING. Thence from the POINT OF BEGINNING, the following five courses:

- 1) southwesterly, along the arc of a circle, radius 1320 feet from its origin at the southwesterly most point of the headwaters of Fish Creek, 325 feet, more or less, to the hydrologic divide between Fish Creek and Lost Creek;
- 2) southerly, along said divide, 1970 feet, more or less, to the hydrologic divide between Fish Creek and Blister Creek;
- 3) southeasterly, along said divide, 305 feet, more or less, to the summit of Baty Butte;
- 4) southeasterly, continuing along said divide, 325 feet, more or less, to the hydrologic divide between Fish Creek and an unnamed tributary of Blister Creek, the origin of which is located at the approximate latitude $44^{\circ}59'43.3''$ North and longitude $121^{\circ}11'35.3''$ West;
- 5) northeasterly, along said divide, 755 feet, more or less, to the line South $38^{\circ}18'$ East from the southwesterly most point of the headwaters of Fish Creek, said point being 1100 feet, more or less, from said headwaters.

- 2) A parcel of land bounded by the hereinbefore described strip of land and by the following described line:

COMMENCING at the southwesterly most point of the headwaters of Fish Creek. Thence South $38^{\circ}18'$ East, 1100 feet, more or less, to the hydrologic divide between Fish Creek and an unnamed tributary of Blister Creek. Thence northeasterly, along said divide, 1065 feet, more or less, to the line 1320 feet southeasterly of the southeasterly ordinary high water line of Fish Creek and the POINT OF BEGINNING. Thence from the POINT OF BEGINNING, the following course:

- 1) northeasterly, along said divide, 680 feet, more or less, to the line 1320 feet southeasterly of the southeasterly ordinary high water line of Fish Creek.

EXCEPTING THEREFROM a parcel of land bounded by the hereinbefore described strip of land and by the following described line:

COMMENCING at the southwesterly most point of the headwaters of Fish Creek. Thence South $38^{\circ}18'$ East, 1100 feet, more or less, to the hydrologic divide between Fish Creek and an unnamed tributary of Blister Creek and the POINT OF BEGINNING. Thence from the POINT OF BEGINNING, the following course:

- 1) northeasterly, along said divide, 1065 feet, more or less, to the line 1320 feet southeasterly of the southeasterly ordinary high water line of Fish Creek;

The area described contains 4315 acres, more or less, and encompasses approximately 13.6 miles of Fish Creek. The bearings shown herein are geodetic, referenced to the true meridian, NAD 83 (2011).
