

NATIONAL WILD AND SCENIC RIVERS SYSTEM

Sandy National Wild and Scenic River, Upper portion  
Mt. Hood National Forest

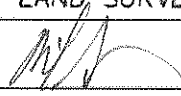

I hereby certify that the boundary description and map made part of this description herewith represents the location of the boundary of the Sandy Wild and Scenic River, Upper portion on the Mt. Hood National Forest.

**BOUNDARY DESCRIPTION  
SANDY WILD AND SCENIC RIVER, UPPER PORTION  
CLACKAMAS COUNTY, OREGON**

This legal description and the attached map dated December, 2012, of the Sandy Wild and Scenic River, Upper portion are on file in the office of the Chief of the USDA Forest Service and are as generally described in Public Law 100-557. This description is a metes and bounds description beginning at the Southwest corner of Section 26, Township 2 South, Range 7 East Willamette Meridian and proceeds in a counter-clockwise direction around the exterior of the Wild and Scenic Boundary to the point of beginning. Where the boundary is described as following a topographical feature, the actual location of the feature will control the approximate course identifying that part of said boundary. Township, and Range lines, as well as Section and subdivision corners established under the United States Public Land Survey System, shall determine the actual location of these portions of the boundary so described. Township, range and section captions are descriptive and not exclusive. Section subdivision lines and corners will be established under the rules of the United States Public Land Survey System and the current "Manual of Instructions". The point of transition between "Recreational" and "Wild" portions of the river occurs where the thread of the Sandy River intersects the section line between sections 15 and 22, Township 2 South, Range 8 East W.M. A line drawn perpendicular to the thread is drawn from this intersection to the exterior boundaries (Southwesterly and Northeasterly).

The mapping base for the Sandy Wild and Scenic River, Upper portion is the USFS Land Status Record System and other local corporate data sets.

Coordinates (Latitude and Longitude) were derived through using ArcGIS and should be used only as a guide in locating any physical features described. Coordinates are approximate; any positioning technique that creates a true location within 10 feet horizontal of the stated coordinate is acceptable for the cited coordinate position. The true boundary location of any coordinate position relative to a cited feature or boundary shall be the intersection of that feature with a line normal to the feature passing through the coordinate.

The distances shown in the description are Ground Distances. Coordinate values are Geographic (DD.MM.SS.ss) and are based on the North American Datum of 1983. The Sandy Wild and Scenic River, Upper portion covers approximately 3610 acres, more or less (2684 acres of which lies within the recreation segment).

Public Law 100-557 designated a 12.4 - mile segment of the Sandy River, Upper portion from its source at its headwaters to its intersection with the Mt. Hood National Forest boundary. The most accurate mapping information now available shows that legislated river segment to be 11.4 river miles. The herein described designated corridor has a calculated total area of 3610 acres, for an average of 317 acres per river mile.

## **Sandy Wild and Scenic River, Upper portion**

**T.2S., R.7E., W.M.**

### Section 26

Beginning at the Southwest Section Corner of Section 26;  
thence easterly along the section line between sections 26 and 35, approximately 1000 feet to the intersection with the Mount Hood Wilderness (1978 Addition) Boundary;  
thence northeasterly along the Mount Hood Wilderness (1978 Addition) Boundary to the intersection with the section line between sections 26 and 25;

### Section 25

thence northeasterly along the Mount Hood Wilderness (1978 Addition) Boundary to the intersection with the Range line between sections 25 & 30, T.2S., R.7 & 8.E;

**T.2S., R.8E., W.M.**

### Section 30

thence North along the Range line 1500 feet more or less to a point 200 feet south of and perpendicular to the thread of Lost Creek;  
thence northeasterly parallel to and 200 feet southeasterly of the thread of Lost Creek, to the intersection of the section line between sections 30 and 19;

### Section 19

thence northeasterly parallel to and 200 feet southeasterly of the thread of Lost Creek to a point 200 feet southwesterly of and perpendicular to the thread of Short Creek;  
thence southeasterly parallel to and 200 feet southwesterly of the thread of Short Creek, across Forest Service road #1825-380, to a point 100 feet southerly of and perpendicular to the centerline of FS road #1825-380;  
thence southeasterly parallel to and 100 feet southerly of the centerline of FS road #1825-380, to the intersection of the section line between sections 19 and 20;

### Section 20

thence northerly and then easterly parallel to and 100 feet easterly and southerly of the centerline of FS road #1825-380 to a point on the toe of the slope of Cape Horn, Latitude 45°22'57.5" North, Longitude 121°51'23.3" West;  
thence northerly and then easterly along the toe of the slope of Cape Horn to a point 200 feet southerly of and perpendicular to the thread of Lost Creek, Latitude 45°23'06.1" North, Longitude 121°50'58.9" West;

thence southeasterly parallel to and 200 feet southwesterly of the thread of Lost Creek, to the intersection of the section line between sections 20 and 21;

#### Section 21

thence southeasterly parallel to and 200 feet southwesterly of the thread of Lost Creek, crossing an unnamed drainage into Lost Creek, to a point 200 feet southerly of and perpendicular to the junction of the thread of Lost Creek and an unnamed drainage, Latitude 45°22'45.1" North, Longitude 121°49'56.2" West;

thence northeasterly parallel to and 200 feet southeasterly of the thread of the unnamed drainage, crossing FS road #1825-109, to a point on the toe of a west slope, Latitude 45°22'48.1" North, Longitude 121°49'33.5" West;

thence northeasterly, crossing the unnamed drainage, and following the toe of the slope, to the intersection of the section line between sections 21 and 16;

#### Section 16

thence northeasterly, following the toe of the slope to the intersection of the section line between sections 16 and 15;

#### Section 15

thence northeasterly then southeasterly, following the toe of the slope, to the intersection of the section line between sections 15 and 22;

#### Section 22

thence southeasterly, following the toe of the slope to a point Latitude 45°23'16.4" North, Longitude 121°48'11.2" West, where the designation of the Sandy Wild & Scenic River, Upper portion changes from recreational to wild, said point being perpendicular to the thread of the Sandy River where it intersections the section line between sections 15 and 22;

thence continuing along the toe of the slope to a point on the Mount Hood Wilderness (1978 Addition) Boundary, Latitude 45°23'05.7" North, Longitude 121°47'56.9" West, to its intersection with the section line between section 22 and 23;

#### Section 23

thence southeasterly on a straight line approximately 6250 feet to a point on the side slope of a ridge, Latitude 45°22'26.4" North, Longitude 121°46'50.8" West;

thence easterly on a straight line, crossing Rushing Water Creek to the intersection of the section line between section 23 and 24;

#### Section 24

thence easterly on a straight line, to a point in the thread of an unnamed drainage which flows into the Sandy River, Latitude 45°22'26.4" North, Longitude 121°46'30.5" West;

thence southeasterly ascending the thread of the unnamed drainage, to the intersection of the section line between sections 24 and 25;

#### Section 25

thence southeasterly ascending the thread of the unnamed drainage to a point that is 1/8 mile southerly of and perpendicular to the thread of the Sandy River, Latitude 45°22'23.9" North, Longitude 121°46'24.5" West;

thence southeasterly parallel to and 1/8 mile southerly of the thread of the Sandy River, to the intersection of the section line between section 25, T.2S., R.8E. and section 30, T.2S., R.8 ½ E.;

**T.2S., R.8 ½E., W.M.**

#### Section 30

thence easterly parallel to and 1/8 mile southerly of the thread of the Sandy River, to the intersection of the section line between sections 30 and 29;

#### Section 29

thence northeasterly parallel to and 1/8 mile southerly of the thread of the Sandy River, to the intersection of the section line between sections 29 and 20;

#### Section 20

thence northeasterly to a point 1/8 mile southerly of and perpendicular to the head waters of the Sandy River, Latitude 45°22'25.9" North, Longitude 121°43'44.7" West;

thence northwesterly on a straight line to a point 1/8 mile northerly of and perpendicular to the head waters of the Sandy River, Latitude 45°22'38.0" North, Longitude 121°43'51.7" West;

thence southwesterly parallel to and 1/8 mile northerly of the thread of the Sandy River, to the intersection of the section line between sections 20 and 19;

#### Section 19

thence westerly parallel to and 1/8 mile northerly of the thread of the Sandy River, to the intersection of the section line between section 19 and section 30;

#### Section 30 (second time)

thence westerly parallel to and 1/8 mile northerly of the thread of the Sandy River, to the intersection of the section line between section 30 and section 19;

#### Section 19 (second time)

thence westerly parallel to and 1/8 mile northerly of the thread of the Sandy River, to the intersection of the section line between section 19, T.2S., R.8 ½E. and section 24, T.2S., R.8E.;

**T.2S., R.8E., W.M.**

Section 24

thence westerly parallel to and 1/8 mile northerly of the thread of the Sandy River to the intersection with an unnamed drainage which flows into the Sandy River, Latitude 45°22'26.8" North, Longitude 121°45'43.0" West;  
thence northwesterly on a straight line to the crest of a ridge, Latitude 45°22'32.3" North, Longitude 121°45'46.2" West;  
thence northwesterly descending along the ridge to a point in the thread of Ramona Creek;  
thence northerly of and perpendicular to the thread of Ramona Creek 200 feet to a point, Latitude 45°22'49.3" North, Longitude 121°46'12.8" West;  
thence northwesterly parallel to and 200 feet northeasterly of Ramona Creek, to the intersection of the section line between sections 24 and 23;

Section 23

thence northwesterly parallel to and 200 feet northeasterly of Ramona Creek, to the intersection of the section line between sections 23 and 14;

Section 14

thence northwesterly parallel to and 200 feet northeasterly of Ramona Creek to a point on the Mt. Hood Wilderness (1978 Addition) Boundary, Latitude 45°23'20.3" North, Longitude 121°47'38.5" West;  
thence northerly along the Mt. Hood Wilderness (1978 Addition) Boundary, crossing the Muddy Fork of the Sandy River, to a point, said point being perpendicular to the thread of the Sandy River where it intersects the section line between sections 15 and 22 designating where the Sandy Wild & Scenic River, Upper portion changes from Wild to Recreational;  
thence continuing northerly along the Mt. Hood Wilderness (1978 Addition) Boundary, to a point in the thread of an unnamed drainage which flows into the Muddy Fork, Latitude 45°23'45.9" North, Longitude 121°47'33.8" West;  
thence westerly on a straight line to the intersection of the section line between sections 14 and 15; (to the junction of Bald Mountain Trail #784 and a point 200 feet north of and perpendicular to the thread of the Muddy Fork in section 15)

Section 15

thence westerly on a straight line to the junction of Bald Mountain Trail #784 and a point 200 feet north of and perpendicular to the thread of the Muddy Fork of the Sandy River, Latitude 45°23'47.5" North, Longitude 121°47'59.5" West;  
thence southwesterly parallel to and 200 feet northerly of the Muddy Fork, to the intersection of the section line between sections 15 and 16;

#### Section 16

thence southwesterly parallel to and 200 feet northerly of the Muddy Fork, to the intersection of the section line between sections 16 and 17;

#### Section 17

thence southwesterly parallel to and 200 feet northerly of the thread of the Muddy Fork to a point on the toe of the southern slopes of Last Chance Mountain, Latitude  $45^{\circ}23'23.9''$  North, Longitude  $121^{\circ}50'20.8''$  West;

thence northwesterly along the toe of the slope to a point on the easterly edge of a sharp curve on FS road #1828, Latitude  $45^{\circ}23'30.9''$  North, Longitude  $121^{\circ}50'50.2''$  West;

thence northwesterly, crossing FS road # 1828 to a point 100 feet northerly of and perpendicular to the centerline of FS road #1828;

thence westerly parallel to and 100 feet northerly of the centerline of FS road # 1828 to a point on the toe of the slope, Latitude  $45^{\circ}23'34.9''$  North, Longitude  $121^{\circ}51'22.3''$  West;

thence northerly along the toe of the slope to a point crossing the Clear Fork of the Sandy River, Latitude  $45^{\circ}23'52.1''$  North, Longitude  $121^{\circ}51'21.3''$  West;

thence southerly along the toe of the slope, to the intersection of the section line between sections 17 and 18;

#### Section 18

thence southerly along the toe of the slope to a point 100 feet northerly of and perpendicular to the centerline of FS road #1828, Latitude  $45^{\circ}23'32.4''$  North, Longitude  $121^{\circ}51'35.0''$  West;

thence southwesterly parallel to and 100 feet northwesterly of the centerline of FS road #1828, to the intersection of the section line between sections 18 and 19;

#### Section 19

thence southwesterly parallel to and 100 feet northwesterly of the centerline of FS road #1828, to a point 100 feet northwesterly of and perpendicular to the junction of FS roads #1828 and #1825;

thence southwesterly parallel to and 100 feet northwesterly of the centerline of FS road #1825, to a point, Latitude  $45^{\circ}23'01.8''$  North, Longitude  $121^{\circ}52'25.2''$  West;

thence westerly on a straight line to a point in the centerline of FS road #18, Latitude  $45^{\circ}23'01.8''$  North, Longitude  $121^{\circ}52'27.1''$  West;

thence southwesterly along the centerline of FS road #18, to the intersection of the section line between section 19, T.2S., R.8E. and section 24, T.2S., R.7E.;

**T.2S., R.7E., W.M.**

#### Section 24

thence southwesterly along the centerline of FS road #18, to the intersection of the section line between sections 24 and 25;

#### Section 25

thence southwesterly along the centerline of FS road #18, to its intersection with the section line between sections 25 and 26;

#### Section 26

thence southwesterly along the centerline of FS road #18, to its intersection with the section line between sections 26 and 27, T.2S., R.7E., thence south on the section line between sections 26 and 27, T.2S., R.7E., approximately 2640 feet to the point of beginning.

The Sandy National Wild and Scenic River, Upper portion covers approximately 3610 acres (2684 acres of which lies within the recreation segment).
