LITTLE LAKE CREEK WILDERNESS ADDITION BOUNDARY DESCRIPTION

The Little Lake Creek Wilderness Addition is located on the Sam Houston National Forest in Montgomery County, Texas. Bounded generally on the north by Forest Development Road (FDR) #211, on the east by (FDR) #231 and Texas Farm to Market Road #149 and the Original Wilderness Boundary, on the south and west by the Original Wilderness Boundary, abandoned pipeline and FDR #211.

The Wilderness Boundary Addition is delineated on the U.S.G.S. 1:24,000 scale 7 1/2 minute topographic quadrangles Montgomery, Richards and San Jacinto (modified for USDA Forest Service use). Where actual field survey bearings and distances were not available, courses were digitized from the Texas State Plane Coordinate System, Central Zone, using the above named quads, and therefore should be considered approximate. Survey bearings are based on True North and digitized bearings are based on Grid North.
