UPLAND ISLAND WILDERNESS BOUNDARY DESCRIPTION

1986 AMENDMENTS

The Upland Island Wilderness Boundary Amendments are located on the Angelina National Forest, Angelina Ranger District, Angelina and Jasper Counties, Texas, bounded generally on the north by Angelina County Road No. 4-4, on the east by Forest Development Road No. 303, on the south by the Neches River, and on the west by U.S. Highway No. 69.

The Wilderness Boundary Amendments are delineated on U.S.G.S. 1:24,000 scale 7 1/2 minute topographic quadrangles Boykin Springs, Cassells-Boykin Park, Rockland and Zavalla (modified for USDA Forest Service use). Where actual field survey bearings and distances were not available, courses were digitized from the Texas State Plane Coordinate System, Central Zone, using the above named quadrangles and therefore should be considered to be approximate. Survey bearings are based on True North and digitized bearings are based on Grid North.
