BOUNDARY DESCRIPTION

All of the Lewis Fork Wilderness is located on the Jefferson National Forest in Grayson and Smyth County, Virginia.

The Boundary is delineated on the U.S.G.S., 1:24,000 7 1/2 minute topographic quadrangle, Whitetop Mountain (modified for USDA Forest Service use). All bearing and distances were digitized from Virginia State Plane Coordinate System, South Zone from the above named quad and therefore should be considered approximate. Bearings are referenced from Grid North and expressed in degrees and minutes. All distances are map distances that are expressed in feet which were digitized from the above named quads and therefore should be considered as approximate.

The Wilderness Boundary is more particularly described as follows:
